ALUMNI BOLSTER BRYAN'S TRUSTEE BOARD

The Alumni Association is represented on the Board of Trustees by four of its members—three graduates and one former student—pictured left to right: Ben Purser x'34, Ian Hay '50, Lewis Llewellyn '38, and Jim Barth '57.

Lewis Llewellyn of Sebring, Fla., has the distinction of having the longest term of service among the present board members as this year he rounds out his twenty-fifth year. Finishing his degree requirements in three years, Mr. Llewellyn graduated in 1938 and continued at Bryan as a member of the staff until 1942. Mr. Llewellyn and his wife, Sarah (Idleman), a graduate with the class of 1939, have five children, all of whom have attended Bryan—four graduated. Mrs. Llewellyn often accompanies her husband to Dayton at board meeting time. The couple is pictured below attending a musical program in the college chapel.

Ian Hay '50 is a veteran with Sudan Interior Mission as an MK and then a missionary in Nigeria together with his wife, the former June Bell '51, from 1952 until returning in 1965 to serve on the home staff. From the position of Home Director for North America, Mr. Hay has advanced to being Deputy General Director with new offices in Cedar Grove, N.J. Mr. Hay has been on the Bryan board since 1969. The Hays' daughter, Brenda, is a sophomore at Bryan.

Jim Barth '57, agriculturist of Poland, Ohio, adds youth to the trustee board, having been elected to membership in 1965. He is a partner with his father and brothers in operating Barth Farms and is also an active leader in the Poland Village Baptist Church.

Although not himself an alumnus of Bryan, Don Efird, a contractor from Kannapolis, N.C., who has served on the Bryan board since 1969, has contributed three sons who are currently enrolled at the college.

Ben Purser x'34 has the distinction of being a member of the first class to enroll in Bryan in 1930. An active community leader and church worker, Mr. Purser, who is now president of the Dayton Bank and Trust Company, has been assisting Bryan through the Rhea County Advisory Committee as a member since its organization in 1957. He is now president of this local committee and was selected to the trustee board in 1972.

ROUND-THE-WORLD TRAVELERS

Rev. and Mrs. Tibbs Maxey
College of the Scriptures
Louisville, Kentucky

TIBBS x'34 and Norma MAXEY on their sabbatical year with the College of the Scriptures toured the Orient and Europe for 83 days. They spoke in Japan, Korea, Philippines, Taiwan, Germany, and Italy. They visited Churches of Christ in Okinawa and Greece. At Manila Seminary Brother Maxey spoke and his wife, Norma, gave illustrated music. She was the featured speaker for a Retreat for Women in Taiwan. They arrived home November 7. In reviewing the impressions from their trip, Mr. Maxey wrote,

"Oh, for a thousand tongues to sing the praises of our God.

"I could have used three tongues one Sunday in Taipei—English, Chinese and Taiwanese, as it took two interpreters to convey my message to the people.

"On that same journey I could have used the ability to speak in tongues that many claim to possess. I needed Japanese, Korean, Tagalog, Thai, German, French, Swiss, Italian, Arabic, Greek and Hebrew. Of course, I'm supposed to be able to read the latter two, but certainly I cannot speak them.

"Wouldn't it be grand to see God lift the barrier of language for his people?

"As it is, a thousand tongues are singing the praises of our God in far-flung lands around this huge globe."

During the next six months Mr. Maxey will lecture on eight college campuses on "Evangelizing the Big City" and conduct two-week Extension Seminars in Jamaica, Atlanta, Orlando, and Memphis. This coming summer he and Mrs. Maxey are to help start a church in Cleveland in the inner city. In the fall of 1974 they will again teach on the campus in Louisville.

For the foreseeable future they will be connected with the College of the Scriptures, which ministers especially to the Black community from headquarters in Louisville, Kentucky. Their new duties will include new church planting (Cleveland and Florida), teaching at the

school, and conducting on-the-spot Extension Schools to train elders and deacons to preach.

The following cities are being considered for extension centers of the College of the Scriptures: Orlando; Lafayette, La.; Cleveland; Kansas City; Pittsburgh; Chicago; Tampa; Miami; Phoenix; Denver; Memphis; and Atlanta. In all of the above mentioned cities there is a going Black Evangelism effort, except Tampa and Miami.
